Hanra Body Sugaring (hair removal)

The HANRA method removes the hair along with the hair roots, gently and thoroughly. Over time, the hair growth is up to 90% smaller, finer and lighter in color. The hair removal with the HANRA-sugar gel is like a scrub, dead skin cells are removed and the skin is smooth. The HANRA method of hair removal is less painful to use than wax and other types of hair removal. The sugar gel adheres to the hair and not on the skin. Is suitable for all skin types. A Swiss natural product without preservatives, chemicals or resins. Is completely water soluble, biodegradable and not tested on animals.
